

Role Needs & Expectations

Please complete these questions before coming to the training. One way to find out what people think your role is and what it should be is to ask them.

- 1. What do you think your role is as support staff?**
- 2. What do you think your peers think your role is?**
- 3. What do your supervisors think your role is?**
- 4. What do the advocates that you work with think your role is?**
- 5. What does upper management think your role is?**
- 6. What do you think your role should be?**
- 7. What do you think your peers think your role should be?**
- 8. What do you think your supervisors think that your role should be?**
- 9. What do the advocates that you work with think your role should be?**
- 10. What does upper management think your role should be?**
